Ann Lee

Some many mind  
Watching gonna do  
Easy gone  
Come the way you go I never find  
When I'm looking for  
Easy gone  
Darling gimme more Two times  
Three times  
Two times  
Three times, eh! So don't your mind  
Watching gonna do  
Easy gone  
Come the way you go I never find  
When I'm looking for  
Easy gone
