Lay Lady Lay

Ministry

Lay lady lay
Lay across my big brass bed
Lay lady lay
Lay across my big brass bedStay lady stay
Stay while the night is still ahead
Stay lady stay
Heaven's fills our headWhatever colors that you have in your mind
I show them on to you and you see them shineStay lady stay
Stay with your man a while
Till the break of day
Then you're gonna see him smileHis clothes are dirty but his hands are clean
And you're the best thing, he's ever seenWhy wait any longer for the world to begin?
You can have your cake and eat it too
Why wait any longer for the one you love
When he's standing over you?Lay lady lay
Lay across my big brass bed
Stay lady stay
We're gonna build the whole night aheadI long to see you in the morning light
I long to reach for you all nightLay lady lay
Lay lady lay
Lay lady lay
Lay lady lay
Lay lady lay
