

# You Don't Love Me Anymore

[Stacy Lattisaw](#)

You don't love me anymore  
I've found me someone new  
You don't love me anymore  
I've found me someone new

You're been wasting my time  
You've been living a lie  
Telling me that you love me  
Baby, you've got to know  
That I could never go  
For some silly old alibi  
There ain't no reason  
For playing a game  
Seems a little lost and foolish, foolish baby!

I'll be moving along  
Keep on, keeping on  
I'm not about to worry, oh no, oh no!

'Cause you don't love me anymore  
I've found me someone new  
You don't love me anymore  
I've found me someone new

I been taking my time  
I've been waiting to find  
If you've been planning to come around  
I don't mean to be cold  
But you've got to know  
Baby, you should have seen by now, oh, oh  
Got me somebody new  
Got me somebody new  
Got a lot of love to give me

I'll be moving along  
Keep on, keeping on  
I'm not about to worry, oh no, oh no!

'Cause you don't love me anymore  
I've found me someone new

You don't love me anymore  
I've found me someone new

You don't love me anymore  
I've found me, found me, found me someone  
Someone new, yeah  
You don't love me anymore  
I've found me someone new, yeah

Said now 'cause you don't love me anymore  
I've found me someone new  
You don't love me anymore  
I've found me someone new, yeah
