Stars Falling Down

Kina Grannis

I think that the stars would've waited for us
Hanging on to the night, watching down below
'Til we were hand in hand together waiting for them
So when I opened my eyes, I saw it too
Stars fallin' down, when I fell for you
I love you, I love you
I love you, I love you, I do
I think that the clouds like the laughter around us

Wanting to feel the warmth, they're softly sinking down
'Til cover the streets, just like a dreamland
And right above us they part, so that I see through
Stars fallin' down, and I fell for you
I love you, I love you
I love you, I love you, I do
I do, I do, I do
I love you, I love you, I do
I do love you, love you
I love you, I love you, I do
