Blur

Jonathan Bree

I would hate to imagine
The? that should have been
My whole world would just blur
If you were not in it, girlThe demons would reappear
With no will to perservere
My whole world would just blur
If you were not in it, girlI would hate to imagine
The? that should have been
My whole world would just blur
If you were not in it, girl
My whole world would just blur
My whole world would just blur
My whole world would just blurIf you were not in it, girl
My whole world would just blur
If you were not in it, girlMy whole world would just blur
If you were not in it, girl
