

# Play This at Your Party

Jerome

Play this at your party, play this at your party yeah, play this at your party betcha play this at your party yeah  
Play this at your party, play this at your party yeah, play this at your party betcha play this at your party, yeah  
okay this at your party, my bitch bend like a barbie, I'm chilling eating hardies while I'm bumpin playboy  
cardie, you can see me in this forum, my new shit it ain't boring, I'm ballin I be scroring, sennada i be florrin  
like skirrt, what's your net worth, come hop on my network they asking what my neck worth, bitch just check  
my net worth, I'm young and out here stunting gettin hundreds but it ain't nothin where I go that party coming,  
ima put it in her stomach. I'm like yeah homie what it do, when it come to better grant it to, when it come  
through yeah I'm the man that's true, your a broke boy can't stand next to you, yeah if you wanna fuckin put me  
near da granite leaves I'm like super mario gotta find that peach, I be swimming in the money and my pockets  
like the beach my bitch think I'm a chef yeah the way I'm serving her that D, aye swimming in the money and  
my pockets like the beach my bitch think I'm chef yeah the way I'm serving her that D,  
Play this at your party, play this at your party yeah, play this at your party betcha play this at your party yeah  
Play this at your party, play this at your party yeah, play this at your party betcha play this at your party yeah my  
adidas fucking red banker shit I'll make that grand, yeah I call me bitch a sniper cuz she's staying at that head,  
yeah you know what we be doing we just keep on fucking movin, just like a movie with my bitch thank got the  
camp no newton, oh shit oh shit that can't be bout that work got a hundred on my neck yeah I know that make  
you hurt yeah they used to fucking doubt me now they see me on the tv, find me in the VIP haters can't see me  
like they stevie wonder, I'm going up y'all falling under, ballin on these haters I'm flexin on them like I'm  
Arnold fucking swarzanegger, damn, that boy be coming through he lookin fresh, yeah I see what you been  
doing homie I am not impressed, yeah you know that we stay best, somebody call an uber, yeah I'm getting  
fucked up shout out my bitch she is a cougar, oh you know we living good, live the way we should, I know you  
tryna get lightly yeah you wish you would, Play this at your party, play this at your party yeah, play this at your  
party betcha play this at your party yeah Play this at your party, play this at your party yeah, play this at your  
party betcha play this at your party
