

Mixed Bizness (The Latin Mix)

Beck

I'm mixing business with leather
Christmas with Heather
Freaks flock together
And make all the be-boys screamAll right
Turn it up now
All right
Turn it up nowWord up to the man thing
She's always cold lamping
Visine at the canteen
I just want to watch you danceDo you want to ride on the Baltic Sea
I'll be your mistress C.O.D.
I'll comb your hair
Re-write your diary
Pour champagne on a honey beeShe can really do me
She can look right through me
And make all the be-boys screamI'm mixing fitness with leather
Homework with Heather
Freaks flock together
And make all the lesbians screamAll right
Turn it up now
All right
Turn it up now
