Fool Again

Westlife

Baby, I know the story
I've seen the picture, it's written all over your face
Tell me, what's the secret
That you've been hiding and who's gonna take my place?Should've seen it coming
Should've read the signs
Anyway
I guess it's overCan't believe that I'm the fool again
I thought, this love would never end
How was I to know, you never told me?
Can't believe that I'm the fool again
And now you thought you were my friend
How was I to know, you never told me?Baby, you should've called me
When you were lonely when you needed me to be there
Sadly, you never gave me too many chances
To show you how much I careShould've seen it coming
I should've read the signs
Anyway
I guess it's overCan't believe that I'm the fool again
I thought, this love would never end
How was I to know, you never told me?
Can't believe that I'm the fool again
And now you thought, you were my friend
How was I to know, you never told me?About the pain and the tears
If I could, I would turn back the time, yeahI should've seen it coming
I should have read the signs
Anyway
I guess it's overCan't believe that I'm the fool again
I thought, this love would never end
How was I to know, you never told me?
Can't believe that I'm the fool again
And now you thought, you were my friend
How was I to know, you never told me?Can't believe that I'm the fool again
I thought, this love would never end
How was I to know, you never told me?
Can't believe that I'm the fool again
And now you thought, you were my friend
How was I to know, you never told me?
Can't believe that I'm the fool again
