Under a violet moon

Blackmore's Night

Dancing to the feel of the drum
Leave this world behind
We'll have a drink and toast to ourselves
Under a Violet MoonTudor Rose with her hair in curls
Will make you turn and stare
Try to steal a kiss at the bridge
Under a Violet MoonRaise your hats and your glasses too
We will dance the whole night through
We're going back to a time we knew
Under a Violet MoonCheers to the Knights and days of old
The beggars and the thieves
Living in an enchanted wood
Under a Violet MoonFortuneteller, what do you see?
Future in a card
Share your secrets, tell them to me
Under a Violet MoonClose your eyes and lose yourself
In a medieval mood
Taste the treasures and sing the tunes
Under a Violet Moon'Tis my delight on a shiny night
The season of the year
To keep the lanterns burning bright
Under a Violet Moon
