Fool for You

R. Kelly

Oh yeah, listen
I used to say Ill never let a woman break my heart, no na na
And I used to say Ill let no girl leave me scars
I was so, so proud
Cause in the mist of us breaking up
Uh baby I talk like, I was so, so tough
Now I can run up all day, call you out your name, girl
But at the end of the day, I'm just a fool for you baby
Oh yeah, girl,
Im just a fool for you baby
Alright now baby, yeah,
And I dont mindI used to tell my friends no girl could ever break me down
Oh no, no, ah
No girl is sweet enough to ever turn my world around
And you changed my mind
Cause every time I walk out of the door
Uh baby, I yell out, I aint coming back no more
Now I can run up all day, call you out your name, girl
But at the end of the day, Im just a fool for you baby
Oh yeah, girl,
Im just a fool for you baby
Alright now baby, yeah,
And I dont mind, I dont mind
And I dont care what my friends have to say
Baby feeling this way, oh no
Whatever the cost, Im willing to pay
Cause I cant see me walking awayI'm your baby, girl
Oh, yeah, whoa, no, na na, baby
Na na baby,
Im just a fool for you baby
Oh yeah, girl,
Im just a fool for you baby
Alright now baby, yeah,
And I dont mind, cause your lovings just hat good baby
Uh, my friends say Im crazy
But Im crazy about you baby
Yes I am, I guess its my honey
Thats why your love keeps me running, for you baby
Im a fool, for you baby

Im a fool, yeah, for you baby
For my baby, baby, baby.
