Irrelevant

Ebrahim

Boyâ€™s Choir
This is your basic 101 class
Weâ€™re taking too much music from the past
If you agree with me
Gather round, clap your hands and lets make history

Chorus
If I took a page out of Steveâ€™s book
Rocked a riff like Donnie would
Everybodyâ€™s taking from the past and not the present
1973 is just irrelevant
If I bit a style out of Smokeyâ€™s look
Stole some wordâ€™s from a Chaka hook
Everybodyâ€™s taking from the past and not the present
1981 is just irrelevant

Verse
Nowadays everybody wants to be a superstar
Theyâ€™re trying to be like someone else
While forgetting who they are
And itâ€™s a damn shame
Cuz by now youâ€™d think weâ€™d be far
From this hypocrisy and ideology
Man, I find it so bizarre

Pre
Just like the next kid I had my share of influence
From that sweet Babyface to my man Common
Whatever happened to the days when we used to say
Hey itâ€™s Tuesday
Time to drop 10 dollars on that brand new release
Pop it in, press play and inspire me
Where did all the good music go
Oh how I miss those days

Chorus
If I took a page out of Steveâ€™s book
Rocked a riff like Donnie would
Everybodyâ€™s taking from the past and not the present
1973 is just irrelevant

If I bit a style out of Smokeyâ€™s look
Stole some wordâ€™s from a Chaka hook
Everybodyâ€™s taking from the past and not the present
1981 is just irrelevant

Verse
Just cuz Iâ€™m on stage doesnâ€™t mean I wanna be a superstar
Iâ€™m trying to be my own self while forgetting who they are
And itâ€™s a damn a shame like Bubonic Plague and SARS
Theyâ€™re killing artisty and musicology
Man, I thought weâ€™d come far

Pre
Wasnâ€™t raised on soul but I had to get to know
Mr Raphael and Dâ€™angelo
Rember those better days when we used to sing
(Youâ€™re my lady)
Oh that used to be my jam back in â€˜96
Nowadays them kids all they want are hits
You wonâ€™t find me in a music store
But oh how I miss them days

Chorus
If I took a page out of Steveâ€™s book
Rocked a riff like Donnie would
Everybodyâ€™s taking from the past and not the present
1973 is just irrelevant
If I bit a style out of Smokeyâ€™s look
Stole some wordâ€™s from a Chahka hook
Everybodyâ€™s taking from the past and not the present
1981 is just irrelevant

Breakdown
Ohh woah woah woah woah woah
Take me back to the good old days
When we used to sing for love and not for show
Ohh woah woah woah woah woah
Somethingâ€™s wrong with the kinds of songs
They play all day long or maybe Iâ€™m too critical

Chorus
If I took a page out of Steveâ€™s book
Rocked a riff like Donnie would
Everybodyâ€™s taking from the past and not the present
1973 is just irrelevant

If I bit a style out of Smokeyâ€™s look
Stole some wordâ€™s from a Chahka hook
Everybodyâ€™s taking from the past and not the present
1981 is just irrelevant
