Last Night At The Jetty

Panda Bear

Dreams that we once had
Did we have them anyways?
Seems that we once had
Now we'll have them all the time
Didn't we, didn't we
Didn't we have a good time?
I know we, I know we
I know we had a real time
Now who could say
We're not just as we were
No one could deny my mind
I know, I know, I know
I know, I know, I know
I know, I know, I know
I know, I know, I know
I know, I know, I know
I know, I know, I know
I know, I know, I know
I know, I know, I know
I know, I know, I know
I know, I know, I know
I know, I know
I don't want to describe something that I'm not
I don't want to hide the hopes that I have
I want to enjoy what's meant to enjoy
But I try to but it flies and swerves to the floor
Say what you will
And we're lucky if I start to
I know I could not go
Even if I had the eyes to try
You have your ways
I have my ways
We have our ways
And I'll call you my friend
And I'll call you my friend
And I'll call you my friend
And I'll call you my friend
And I'll call you my friend
And I'll call you my friend

And I'll call you my friend
And I'll call you my friend
Dreams that I once had
Did I have them anyways?
Seems that I once had
Now I'll have them all the time
Didn't I, didn't I
Didn't I have a good time?
I know I, I know I
I know I had a real time
Now who could say
I'm not just as I was
No one could deny my mind
