## PRETTYMUCH

Yo it's PRETTYMUCH (hmm)  
Coming through (yeah)  
Coming for you live, you know  
I'm just tryna figure out what you can be  
'Cause uh...  
AYYou can be my teacher (where they at?)  
You can be my boss (where they at?)  
Oh, you can be my lover (where they at?)  
You can be my car (where they at?)  
Baby, I can drive ya  
Ooh, anywhere you want (squaa squaa)  
Ah, you can be my teacher (where they at?) (oh yeah)  
You can be my boss  
(I don't give a what)  
So tell me your wish  
I can do the night or the day shift  
You can find my name on your playlist  
Your favourite girl (yeah)  
And on the real tip (real)  
Everything we do is salacious (yeah)  
Meet me in your room or basement  
Escaping, girl (yeah)Like that Prada you stole,  
Put me on like your clothes  
We can rock nice and slow  
Yeah, me and you, true (uh)  
You can be my teacher (where they at?)  
You can be my boss (where they at?)  
Oh, you can be my lover (where they at?)  
You can be my car (where they at?)  
Baby, I can drive ya  
Ooh, anywhere you want (squaa squaa)  
Ah, you can be my teacher (where they at?) (oh yeah)  
You can be my boss  
(I don't give a what)It's your birthday  
Every single day, it's your birthday  
I can make you feel like Tinashe  
In every way (yeah, yeah)  
When the beat drops  
We'll keep on dancing because we can't stop

We'll be connected like a hotspot  
I got wifi, girl (yeah, yeah)Like that Prada you stole,  
    Put me on like your clothes  
    We can rock nice and slow
