

# Spanish Joint

## j. period

Whenever it rains I feel this way  
A little somethin' to get me through this day  
Give me a little that, no time flat  
Gonna be a good thingSerene, but in need of feelin' free  
Lettin' go and landin' on my feet  
Brushed the dirt off my back, no time flat  
Gonna be a good thingWell, people believe this sayin' is true  
Whatever will be, will forever do  
Whatever the cost, I'll pay in full  
I ain't got nothin' to do with youGotta get out, gotta get out of here  
I'm in the dark and the light looks sincere  
Brushed the dirt off my back, no time flat  
Gonna be a good thingAll you do is complain about your pain  
And the cloud that follows  
You won't cease to rain  
Don't look back, handle that  
Make it into a good thingSomethin' in me's gotta be  
Sole controller in control of me  
A link in your chain just won't do  
I don't want nothin' to do with youSomethin' stirrin' inside of me's gotta be  
Sole controller in control of me  
A link in your chain just won't do  
I don't want nothin' to do with youWell, people believe this saying is true  
Whatever will be, will forever do  
Whatever the cost, I'll pay in full  
I ain't got nothin' to do with youI ain't got nothin' to do with you  
I ain't got nothin' to do with youI ain't got nothin' to do with you  
I ain't got nothin' to do with you  
I ain't got nothin' to do with you
