Gold (Twofold Remix)

Adventure Club

Only sunshine, under the bright sky
Only sunshine, under the bright skyWhen the words are like bullets
And they break through your skin
And there's no way to get them all out
When it feels like a rush seeping into your soul
Stay gold
Stay gold
Stay goldUnder the bright sky, only sunshineUnder the bright sky, only sunshineStay gold
Stay gold
Stay gold
Stay gold
Stay gold
Stay goldYou were always searching
For something out there
Out of reach, couldn't stop you
Couldn't hold you back
You were so real, so realWhen the words are like bullets
And they break through your skin,
And there's no way to get them all out
When it feels like a rush seeping into your soul
Stay gold
Stay gold
Stay goldUnder the bright sky, only sunshineUnder the bright sky, only sunshineStay gold
