

# Reckless

## Jeremy Camp

Every time I try to play it safe  
Holding back just a little part of me  
I find myself forgetting what  
I say that I believe  
The promise of your word  
Is all I need, its all I need  
I'll lay my life down  
And give it up  
I'll give it up I wanna be reckless  
'Cause you are endless  
I wanna be shameless  
And shout your greatness  
I will not be afraid  
To surrender my way  
And follow who you are  
I wanna be reckless, reckless I will lose my life  
And just let go  
Because I know this world is not my home  
With fearless faith  
I won't be moved  
Unshakeable inside your truth  
You laid your life down  
And gave it up  
So I'll give it up I wanna be reckless  
'Cause you are endless  
I wanna be shameless  
And shout your greatness  
I will not be afraid  
To surrender my way  
And follow who you are  
I wanna be reckless, reckless I won't waste any more time  
My life's Yours it is not mine  
Use me Lord no matter what's at stake I wanna be reckless  
'Cause you are endless  
I wanna be shameless  
And shout your greatness  
I will not be afraid  
To surrender my way  
And follow who you are

I wanna be reckless, reckless  
For you, oh  
For you, oh  
For you, oh  
For you, oh I wanna be reckless  
'Cause you are endless  
I wanna be shameless  
And shout your greatness
