Beast

Mutoid Man

We were confiding,
sharing our pain.
Now he's dividing,
senses remain.You're just a beast with a broken soul.
Shied away.
Come on like a wounded animal.
Come back to me,
come on back to me.Sever the lonely.
Tried to survive.
We'll be the only,
lovers left alive.
You're just a beast with a broken soul.
Come back to me,
come on back to me.
