

Vietnam (feat. Sabine Mccalla)

[Leyla McCalla](#)

Vietnam, Vietnam,
Look for me, boys
'Cause here I come. I am going away on a far off mission,
I'll be sailing on the deep blue seas,
I'll be back in the late late Spring,
And I hope you will be looking the same. Vietnam, Vietnam,
Look for me, boys
'Cause here I come.
I don't have anything to offer you
But a maybe.
Not even a ring to put on your finger,
But if you wait, wait, wait for me.
I will return with an honorable discharge,
From the navy.
And I don't mean maybe. Oh Lord, save me,
For my pretty baby.
Oh Lord, save me,
For my pretty baby.
Vietnam, Vietnam,
Look for me, boys
'Cause here I come. Vietnam, Vietnam
