

Ivy

SALES

Ivyâ€™ babyâ€™ sweetheart,
you're so insecure,
taking back your words.

Oh, lover,
loveless,
take me, take me by my hair

Take me to your land

Oh, ivyâ€™ sweetheartâ€™
daydreamâ€™
speechless ain't your thing;
tell me what you need.

hey-hey ivyâ€™ honeyâ€™
daydreamâ€™
fill me with your needs;
I don't need to breathe.

Oh, I understand, always understand.
What's the problem?

Oh, I understand, always understand.
What's the problem?

Hold-up,
I get it.
I know that you meant it.

The distance between us,
the size of a planet.

It could have been nothingâ€™
slow motion discussion.

I wake up with nothing.

(i wanna)

(i gotta)

(get away).
