Angel

Sticky Fingers

Live a life that's golden
Disguised by falling
Swim the deepest ocean
I am wise and stoned
Don't be sentimental
'Cause this is not my home
Got my head on strong
And we're moving on
I am wise and stonedShe was blind and broken
Hogtied soft spoken
Stiffly stirred awoken
Throw a dog a bone
Throw a dog a boneShe cooked me alive
But I found it
How can you sleep when you drown?
I messed around then I found it
But I pulled off the wings of an angelLive a life that's golden
Despite bad omens
Shiver on the coldest
I am wise and stoned
