

# Show Me the Way Back to Your Heart

**Gloria Estefan**

I remember days, nights were never cold  
I had you in my life, I had you here to hold  
And I remember love warm as a summer day  
But I lost you and I lost my way

Now I'm in the rain begging you please, pleaseBaby, won't you show me the way back to your heart?

Let me see a sign to know if I'm close or far  
Lead me back to the road that leads back to your arms  
To your armsLead me backEvery night another lonely street I walk down alone  
Searching for a light, your light to lead me home  
Leave a candle in the window and let it shine for me  
Take my hand and take these tears away

I can't take the pain, I'm on my knees, pleaseBaby, won't you show me the way back to your heart?

Let me see a sign to know if I'm close or far  
Lead me back to the road that leads back to your arms  
To your armsTake my hand and take me in your arms  
I'm out in the dark

Down on my knees, pleaseShow me the way back to your heart  
Let me see a sign to know if I'm close or far  
Lead me back to the road that leads back to your arms  
To your arms, to your arms
