You got married in the mornin'  
Suzy, don't worry  
I'm hidin' your lies in  
I'm diggin' 'New Day Rising'Life is a maybe  
Because you're such a baby  
Life is a maybeYou're crazy, so lazy  
You're feeding me spaces  
I'm kneelin' coz you're feelin'  
You keep your hands on the ceilin'Life is a maybe  
Because you're such a baby  
Life is a maybe  
Because you're such a baby  
Life is a maybeI'll never believe you  
I can really see you  
You're feedin' my thievin'  
Oh baby, keep me singin'Life is a maybe  
Because you're such a baby  
Life is a maybe  
You're such a baby  
Life is a maybe
