

# 15 Minute Idol

Sr-71

Smiling faces on magazines  
Checkout line trash beauty queens  
The Good time party has to crash  
Say Goodbye fairweather friend  
Use me up until the end  
By the way can you spare any cash?  
So Light yourself a big cigar  
Lease a house and seven cars  
Live like the Hip-Hop Superstars  
Never like a One Hit Wonder  
Flash in the pan  
15 Minute Idol  
I'd rather sit at home and wonder  
Never understand  
How to be a 15 Minute Idol  
Get our lives from TV screens  
Cold Cristal and limousines  
Let's make believe that it's all good

TRL is such a joke  
Pushing Coors and Diet Coke  
Sell it out just like we're Hollywood  
Never like a One Hit Wonder  
Flash in the pan  
15 Minute Idol  
I'd rather sit at home and wonder  
Never understand  
How to be a 15 Minute Idol  
[solo]Never like a One Hit Wonder  
Flash in the pan  
15 Minute Idol  
I'd rather sit at home and wonder  
Never understand  
How to be a 15 Minute Idol
