Forever Young (Altrn Instrumental)

Matell

May god bless and keep you always
May your wishes all come true
May you always do for others
And let others do for youMay you build a ladder to the stars
And Climb on every run
May you stay, forever young
May you stay, forever young
May you grow up to be righteous
May you grow up to be true
And see the lights surrounding youMay you always be courageous
Stand upright and be strongForever young, forever youngMay your hands always be busy
May your feet out pass your sweat
May you have a strong foundation
When the winds of changes swiftMay your heart always be joyful
May your song always be sung
And may you stay forever youngForever young, forever young
May you stay forever young
