

Sikh In A Baja VW Bug

Grandaddy

He's on the street, he's got him beat
They're at the stoplight, they're laughing at him
They want to know "What's the deal with the surfboard?
The beach is nearly two hours away from here
And why have you been cruising up and down this street all day?"
But he just ignores them and revs his engine
Then the the light turns green Oh yeah he's a...
