

Ai No Corrida

Quincy Jones

I hold you, I touch you
In a maze can't find my way
I think you, I drink you
I'm being served to you on a tray You see girl
That's what I go through every day
Is this the way it should feel? Pinch me, I'm dreaming
But if it is don't let me know
I'm drowning, don't save me
It's just the way I'd like to go You see girl
You thrill me, half kill me
That's what you do Ai no corrida, that's were I am
You send me there
Your dream is my command
Ai no corrida, I find myself
No other thought
Just you and nothing else
You and nothing else Before my heart saw you
Each day was just another day
Night the lonely interlude just came
Then blow away You know, girl
Everything was come what may
Until you fell in my life This spell that I'm under
Has caught me, I'm in a daze
Your lightning and thunder
Sets my poor heart ablaze You see girl
You thrill me, half kill me
That's what you do Ai no corrida, that's were I am
You send me there
Your dream is my command
Ai no corrida, I find myself
No other thought
Just you and nothing else
You and nothing else Ai no corrida, that's were I am
You send me there
Your dream is my command
Ai no corrida, I find myself
No other thought
Just you and nothing else Ai no corrida, that's were I am
You send me there

Your dream is my command
Ai no corrida, I find myself
No other thought
Just you and nothing else
You and nothing else I hold you, I touch you
In a maze can't find my way
I think you, I drink you
I'm being served to you on a tray You see girl
That's what I go through every day
Is this the way it should feel? Pinch me, I'm dreaming
But if it is don't let me know
I'm drowning, don't save me
It's just the way I'd like to go You see girl
You thrill me, half kill me
That's what you do Ai no corrida, that's were I am
You send me there
Your dream is my command
Ai no corrida, I find myself
No other thought
Just you and nothing else
You and nothing else Ai no corrida, that's were I am
You send me there
Your dream is my command
Ai no corrida, I find myself
No other thought
Just you and nothing else Ai no corrida, that's were I am
You send me there
Your dream is my command
Ai no corrida, I find myself
No other thought
Just you and nothing else
You and nothing else Ai no corrida, that's were I am
You send me there
Your dream is my command
Ai no corrida, I find myself
No other thought
Just you and nothing else
You and nothing else Ai no corrida, that's were I am
You send me there
Your dream is my command

Ai no corridá, I find myself
No other thought
Just you and nothing else
