

# Blind

## Stratovarius

When you tell me that your truth  
Will set me free  
Don't believe you and I wish you'd let me be  
From the cradle to the grave I feel your pain  
But I'm trying to erase you from my brain Carry me to the shore, carry me  
I can't stand it anymore I am blind but I can see you in my mind  
I am blind but I can see you  
I am blind When you say you have a way to make me talk  
I just wanna turn around and start to walk  
Can't you see, don't want to be inside your mind  
Set me free, leave me be, and make me blind
