

Jun (The Sun&Aunt Pat)

Onelinedrawing

i will bring warmth and light to your cold darkness
i only want what is final
i can be brighter
i can burn with more heat
always daytime or always nighttime
always warm or always cold
i will bring warmth and light to your cold darkness
but you always have to rest
but the sun cannot bring leaves or fruit to a tree of darkness
but the sun cannot bring leaves or light to a tree or darkness>THE SUN AND AUNT PAT

EL SOL Y TIA PAT

>

>"I will bring warmth and light to your cold darkness."

>Traigo calor y luz a tu obscuridad tan frio

>"I only want what is final."

Solo quiero lo que es final

Solo quiero al final

>

>"I can be brighter.

Peudo brillar mas>I can burn with more heat."

Puedo quemar con mas calor/ardor

>

>"Always daytime or always nighttime.

Para Siempre en dia o siempre de noche

>Always warm or always cold."

Siempre caliente o siempre frio

>

>"I will bring warmth and light to your cold darkness."

>

>"But you always have to rest."

>Pero siempre tienes que descansar

>But the sun cannot bring leaves or fruit to a tree of darkness

>But the sun cannot bring leaves or light to a tree or darkness

Pero el sol no te peude traer(dar) hojas ni luz al arbol de
obscuridad(sombra=shadow)
