

# Release Me (Adalberto Marchiani Extended Remix)

## Agnes

Release me , release my body.  
I know it's wrong, So why am I with you now.  
I say release me, Cause I'm not able to  
    Convince myself  
That I'm better off without you.Yeah, it's perfectly clear  
    That love's not what you need  
        I tell you I don't care  
        But I don't want to  
        Anything that you say  
        I hear myself agree  
        And I don't recognize  
What I've turned into,I don't know why I want you so  
    'Cause I don't need the heart break  
    I don't know what addictive hold  
        You have on me I can't shake  
        No, I'm not in control  
        So let me goRelease me  
        Release my body  
        I know it's wrong  
    So why do I keep coming back  
        I say release me  
        'Cause I'm not able to  
        Convince myself  
That I'm better off without youI could sleep by myself  
    I would burn me alive  
    Find me somebody else  
        But I don't want to  
        Try to leave out the love  
        That goes against the grain  
        But I can rationalize it  
If I have toI don't know why I want you so  
    'Cause I don't need the heart break  
    I don't know what addictive hold  
        You have on me I can't shake  
        No, I'm not in control  
        So let me goRelease me  
        Release my body  
        I know it's wrong  
    So why do I keep coming back

I say release me  
'Cause I'm not able to  
    Convince myself  
That I'm better off without youI'm not in control  
    So let me goRelease me  
    Release my body  
    I know it's wrong  
So why do I keep coming back  
    I say release me  
    'Cause I'm not able to  
    Convince myself  
That I'm better off without youRelease me  
    Release my body  
    I know it's wrong  
So why do I keep coming back  
    I say release me  
    'Cause I'm not able to  
    Convince myself  
That I'm better off without you
