

Mouth For War (Black Tooth-Live Dynamo-1998)

Pantera

Revenge
I'm screaming revenge again
Wrong
I've been wrong for far too long
Been constantly so frustrated
I've moved mountains with less
When I channel my hate to productive
I don't find it hard to impress[Chorus]
Bones in traction
Hands break to hone raw energy
Bold and disastrous
My ears can't hear what you say to me
Hold your mouth for the war
Use it for what isn't for
Speak the truth about me
Determined Possessed
I feel a conquering will down inside me
Strength
The strength of many to crush
Who might stop me
My strength is in number
And my soul lies in every one
The releasing of anger can better any medicine under the sun[Chorus]
