

Senor Santa Claus

[Jim Reeves](#)

Dear, Senor Santa Claus I think I tell you what
I would like for Christmas and I hope you won't forgot
I only want a peso that I can have for mine
To get my Senorita something for Christmas time I don't believe you read the card last Christmas, that I sent
You come to see the kids across the street and then you went
Dear Senor Santa Claus I think me understand
Sometimes the toys all gone before you reach the Rio Grande Dear Senor Santa Claus I tell you what I think
I no got a stockin' I set out my piggy bank
So please bring me peso that I can have for mine
To get my Senorita something for Christmas time On Christmas eve I watch for you and I no sleep a wink
If I no get Lolita something she feel sad I think
So please Senor Santa Claus this Christmas be so grand
If I get peso to buy ring for my Lolita's hand
