

All That You Are

Mudvayne

Repeating in my head
Betrayal
Repeating in my head
Insecurities
Repeating in my head
DiffidenceIt's not your fault
The well of thought and trust has run dry
Don't be afraid to let go
Don't be afraid to start over when it's overLet go
Let go
Let go
Let goLet go of feelings, let go of compromise
Hollow trunk for shelter, so dark and cold inside
I always seem to find myself alone
Jaded shell of being, porous as a stoneCalloused
Rigid
Empty
Because of youLet go of trusting, lost thought for family
Let go of living, no more concerns of demise
I never seem to find rhythm for life's harmony
Contorted, twisted broken, without a reasonCalloused
Rigid
Empty
Because of youIt's all me
All you are without me
There's nothing else
There's no oneBrainwash
All you are without me
You're by yourself
There's no oneHope is out of season
Lost sight, no hint of light
Get busy living or get busy dyingCalloused
Rigid
Empty
Because of youIt's all me
All you are without me
There's nothing else
There's no oneBrainwash
All you are without me

You're by yourself
There's no one Save me this loss
Closure my answer
So grant it You owe me all that you are
Without me you're nothing
You're no one Terrified
Petrified Nothing
You're no one
Do you care because I don't Nothing
You're no one
Nobody cares so just go Nothing
You're no one
By yourself all alone It's all me
All you are without me
There's nothing else
There's no one Brainwash
All you are without me
You're by yourself
There's no one Save me this loss
Closure my answer
So grant it You owe me all that you are
Without me you're nothing
