Of The Soul

Mac Miller

Don't even know what's in my head anymore though,
Figured out i ain't gonna go to college lead course,
Fucking girls but I never kept the door closed,
Want you all to hear the way i put it in her torso,
I ain't normal, i'm clinically insane,
I guess it's the result of drugs that entering my brain,
All the sudden every legend keep on mentioning my name,
All that does is show me that my life would never be the same,
Police try and figure out how to get me locked up,
I tell them bi**hs suck dog nuts,
Arriving to the party in the chariot,
Looking for a scary bitch that I can pop her cherry bi**ch,
I'm very sick, yes very ill,
Eternal sunshine, Jim Carrey feel,
At the amusement park, scared of heights ferris wheel,
Double dare me to kill.
got some soul like de la do say i'm new, it's nothing but some d
