

Piece of My Heart

Faith Hill

Didn't I make you feel
Like you were the only man
And didn't I give you everything
That a woman possibly can
Each time I tell myself I think I've had enough
Well I'm gonna show you baby that a woman can be tough
So come on, come on, come on and Take it
Take another little piece of my heart now baby
Take another little piece of my heart
I know you will
And break it
Break another little piece of my heart now baby
'Cause you know you got it, if it makes you feel good, so good You're out on the street lookin' good
Baby deep down in your heart you know that it ain't right
No you'll never hear me cryin'
You know I cry all the time
Each time I tell myself that I can't stand the pain
You hold me in your arms and I start singin' once again
So come on, come on, come on and Take it
Take another little piece of my heart now baby
Take another little piece of my heart I know you will
And break it
Break another little piece of my heart now baby
'Cause you know you got it, if it makes you feel good, so good Each time I tell myself that I can't stand the pain
You hold me in your arms and I start singin' once again
So come on, come on, come on and Take it
Take another little piece of my heart now baby
Won't you just take it,
Take another little piece of my heart I know you will
And you will break it
Break another little piece of my heart now baby
'Cause you know you got it if it makes you feel good, oh so good Take another little piece of my heart now baby
Won't you just take it,
Take another little piece of my heart I know you will
And you will break it
Break another little piece of my heart now baby
Take another little piece of my heart,
My heart, my heart, my heart, my heart
Take another little piece of my heart now baby

Won't you just break it
Break another little piece of my heart
My heart, my heart, you cannot break
Break another little piece of my heart
