

# Wait

R.E.M.

You got your problems darling  
I got mine too  
You know that  
maybe it's time for you to come through  
Because I'm fed up with waiting for you  
Won't you decide real fast  
what are you gonna do? I've almost given up hope  
then what else is new?  
You know that  
I'm at the end of my rope trying to hang on to you  
Because my patience is wearing thin just waiting for you  
Won't you decide real fast  
what are you gonna do? You better wait (WAIT!)  
Don't go away now darling, wait (WAIT)  
Why don't you stay?  
You better wait (WAIT!)  
Don't go away now, wait (WAIT!)  
Why don't you stay? I know that you're confused  
it's no crime  
You better hurry Sugar  
'cause we're running out of time  
Because my patience is wearing thin just waiting for you  
Won't you decide real fast  
what are you gonna do? chorus I don't wanna walk on the same stage with you  
Then the bells begin to blow in my head  
If things don't turn out right  
It's gonna be all right Chorus  
Chorus  
Chorus  
Chorus
