

Fast Changes

The Scrotum Poles

Maybe if I search my mind a little
I'd come across the reason why you're gone
Maybe if I searched a little while And if I try to reconcile a little
Then maybe I will know for how long
This time Well here we are in separate rooms
I can hear you sighing
Saying, "No way out" or so it seems
Dry our tears, we're flying
Straight on through that window Fast changes arriving
Slow changes moving out
Here we are Now maybe if I took the time a little
Then maybe I would know for how long
This time Here we are in separate rooms
I can hear you sighing
Saying, "No way out" or so it seems
Dry our tears, we're flying
Straight on through that window Fast changes arriving
Slow changes moving out
Here we are Fast changes arriving
And slow changes moving out
Here we are
Here we are The changes Oh, here we are in separate rooms
I can hear you crying
Saying, "No way out" or so it seems
Dry our tears, we're flying
Straight on through that window Fast changes arriving
And slow changes are moving out
Here we are Fast changes arriving
Slow changes moving out
Here we are Fast changes, fast changes have come around
Slow changes are moving out
Here we are
Here we are Here we are
Here we are
Here we are
