That's How You Know (feat. Kid Ink & Bebe Rexha)

Nico & Vinz

You were big city living; girlfriend like Eva Mendes
Until your side chick called you up, said when she might be pregnant
Now you're alone and crying; inside, you're slowly dying
Cause Magic Mike just got your keyThat's how you know you fucked up
That's how you know you fucked up
That's how you know you fucked up
That's how you know you fucked upBebe
You were the man in college; got a degree in awesome
And had more zeroes in your bank than all the Matrix coding
Now you're in your mama's basement, cause you spend every paycheck
The IRS your new best friendThat's how you know you fucked up
That's how you know you fucked up
That's how you know you fucked up
That's how you know you fucked upHa, oh
You had it going for you; moved out to California
Got lost in money, drugs, and women; now for all your dollars
Now Nico's unemployed and Vinz's love for coke destroyed him
So now we back in NorwayThat's how we know we fucked up
That's how we know we fucked up (oh no!)
That's how we know we fucked up (hey)
That's how we know we fucked up
Fucked up, fucked upUh, yeah
Kid Ink
You used to be the big spender, grabbing the check every dinner
Showing out to your girlfriend's best friends just so they could wish they was with you (wait)
You ain't wanna hit the club, but the pressure got you out trying to get a table and a picture
Everybody Snapchat pictures, but ain't nobody trying to drive on the liquor, nah nah
I been getting so twisted, tie-dye, bye-bye
Think we should leave after I pay
But you forgot to save cash for the valetThat's how you know you fucked up (that's how you know)
That's how you know you fucked up
That's how you know you fucked up (that's how you know)
That's how you know you fucked up (that's how you know)
That's how you know you fucked up
(That's how you know you fucked up, you fucked up)
That's how you know you fucked up
(Yeah yeah yeah, that's how you know you fucked up, you fucked up)
(Yeah yeah yeah yeah)
