

Until I Find You Again

Richard Marx

Lately I've been trying
To fill up my days since you're gone
The speed of love is blinding
And I didn't know how to hold on
My mind won't clear, I'm out of tears
My heart's got no room left inside
How many dreams will end?
How long can I pretend?
How many times will love pass me by
Till I find you again?
Will the arms of hope surround me?
Will time be a fair weather friend?
Should I call out to angels?
Just drink myself sober again?
I can't hide, it's true
I still burn for you
Your memory just won't let me go
How many dreams will end?
How long can I pretend?
How many times will love pass me by
Till I find you again?
I'd hold you tighter
Closer than ever before, yeah
No flame would burn brighter
If I could touch you once more
Hold you once more
How many dreams will end?
How long can I pretend?
How many times will love pass me by
Till I find you again?
Till I find you again
