

# My Melancholy Baby

Ella Fitzgerald

Come to me, my melancholy baby  
Cuddle up and don't be blue  
All your fears are foolish fancy, maybe  
You know, dear, that I'm in love with you Every cloud must have a silver lining  
Wait until the sun shines through Cuddle up, my dear  
While, I kiss away each tear  
Or else, I shall be melancholy too Every cloud must have a silver lining  
Wait until the sun shines through Please, cuddle up, my dear  
While, I kiss away each tear  
Or else, I shall be melancholy too
