

Love Calling

Billy Idol

Sun goes down, I rise
Red hair flames so bright
Iced gin breaks the nightSteal into her mind
Walk without a sound
Fire in the mountains nowIf you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling, love callingIf you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love callingSo baby rock on
Clap hands, clap hands
For the song man
Rock on, rock onOoh, baby rock on
Clap hands, clap hands
For the song man
Rock on, rock onSong man dreams for you
Moves his clapping space
Turns us into snakes, hot hitsAnd the blue moon move, move, move
Move until we die
Move until she criesIf you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling, love callingIf you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling
Ooh baby, rock onIf you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling, love callingIf you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love callingOoh baby, rock on
Clap hands, clap hands
For the song man
Rock on, rock onOoh baby, rock on
Clap hands, clap hands
For the song man
Rock on, rock onOoh baby, rock on
Clap hands, clap hands
For the song man
Rock on, rock on
Ooh baby, rock on
