

# I Just Can't Get You Out of My Head

## Inkubus Sukkubus

Can't get you outta my head  
Got a devil here inside me  
I can't get you outta my head  
The dead in Hell are calling me Can't get you outta my head  
As a razor tears into my flesh  
I can't get you outta my head  
As I'm drowning in this misery Every night, Every day  
Just to be there in your arms La la la  
La la la la la  
La la la  
La la la la la  
La la la  
La la la la la  
La la la  
La la la la la Can't get you outta my head  
When the soul is ripped right outta me  
I can't get you outta my head  
When the cloak of Death is over me Every night, Every day  
Just to be there in your arms Can't get you outta my head  
Can't get you outta my head  
Can't get you outta my head  
Can't get you outta my head La la la  
La la la la la  
La la la  
La la la la la  
La la la  
La la la la la  
La la la  
La la la la la La la la  
La la la la la  
La la la  
La la la la la  
La la la  
La la la la la  
La la la  
La la la la la Can't get you outta my head  
I can't get you outta my head  
Can't get you outta my head  
I can't get you outta my head Can't get you out

Can't get you out  
Can't get you  
Can't get you outta my head  
Can't get you outta my head  
Can't get you outta my head  
Can't get you outta my head  
Can't get you outta my head  
Can't get you outta my head
