Dimmer Light

Dead Poetic

There's a dimmer light in this room tonight
And you'll be the last one to know when it's off
So with this dimmer light in my room tonight
I wonder if we're gonna make it at all, at all, at allAnd there's a brighter sky to this dreadful night
And you and me are the first to watch it fade
So with this brighter sky from my room tonight
I feel, down here, a little more betrayedHow do I get back to where I was?
When you were smiling
You were smilingHow do I get back to where I was?
When you were smiling
(You were smiling, baby)
You were smiling, babyNow there's a tempt to die under this heartless sky
We'll bid farewell without an ear to hear me
A tempt to die and not put up a fight
'Cause no one ever wanted to end this earlyHow do I get back to where I was?
When you were smiling
You were smilingHow do I get back to where I was?
When you were smiling
(You were smiling, baby)So there's that bright light, the one that leaded me here
The one that's screaming to be noticed
The one responsible for all of this
So I'll take this other road, after I get up from my knees
Because I'm sick of being lied to
And I'm
(Afraid of where the other one leads)You were smiling, baby
