

My Pa

Barbra Streisand

My Pa can light my room at night
With just his being near
And make a fear for dream all right
By grinning ear to earMy Pa can do most anything
He sets his mind to do
He'd even move a mountain
If he really wanted toMy Pa can sweeten up her day
That clouds and rain make gray
And tell me funny stories
That will chase the clouds awayMy Pa's the only one on earth
I can tell my troubles to
His arms are house and home to me
His face's a pretty poem to me
