Would I Be The One

Sean Lennon

Would I be the one to bring back
The tears from your eyes now?
Would I be the one to bring back the tears?
Would I be the one to bring back?
Would I be the one to bring back
The tears from your eyes?
Is it when I want to scrape off the juice
From your boots now?
Is it when I want to scrape off the juice from you?
Is it what I want? Is it what I want?
Is it what I want? Is it what I want?
Is it what I want? Is it what I want?
Is it when I want to scrape off the juice
From your boots now?
Is it when I want to scrape off the juice?
Is it when I want to scrape off?
Is it when I want to scrape off the juice
From your boots?
Is it when I wanna be held back in your arms now
Is it when I wanna be held back no matter to hold
Is it what I want? Is it what I want?
Is it what I want? Is it what I want?
Is it what I want? Is it what I want?
Is it what I want? Is it what I want?
Is it what I want? Is it what I want?
Is it what I want? Is it what I want?
