

Suspect

Daniel Powter

Take me downtown, why?
Broke the law, lock me up
Storyline, a comeby
A combination, it's a lie
I won't see no time for no foul police
None for a double time of a lifetime
Tonight, I'll walk
Sit down and let me know my rights
It's all about someone else
I know it, I know it
This sounds suspect, don't it?
I'll talk and give up on the stoolie in time
So spare the time and talk with me
I'll do anything you want so subtly
Yeah, I don't know
All I could think about is you
Why run? I'll hide
Checked out this one through sixty-five
It's all about someone else
I know it, I know it
This sounds suspect, don't right?
I'll talk and give up on the stoolie in time
So spare the time and talk with me
I'll do anything you want so subtly
Yeah, I don't know
All I could think about is you
Suspect and talk in tears
Suspect and talk in tears
Suspect and talk in tears
Suspect and talk in tears
Tears
Tears, I could swear
I wasn't thinking right, wasn't there
As for me asking you
Unbelievable, what you do
Tears, I could swear
I wasn't thinking right, wasn't there
As for me asking you
Unbelievable, what you do
A lifelong lie
So spare the time and talk with me
I'll do anything you want so subtly
So spare the time and talk with me
I'll do anything you want so subtly
Yeah, I don't know
All I could think about is you
