

# Midnight Blue

Vanessa Williams

Whatever it is, it'll keep till the morning  
Haven't we both got better things to do, midnight blue  
Even though simple things become rough  
Haven't we had enough and I think we can make it  
One more time, if we try, one more time for all the old times For all of the times you'd told me you need me  
Needing me now is something I could use, midnight blue  
Wouldn't you give your hand to a friend, maybe it's not the end  
And I think we can make it one more time, if we try  
One more time for all the old times, midnight blue, midnight blue I think we can make it, yeah, I think we can  
make it  
Ohh, wouldn't you give your hand to a friend  
Think of me as your friend and I think we can make it  
One more time, if we try, one more time for all the old old times  
One more time for all the old, old times Midnight blue, midnight blue, midnight blue  
Midnight blue, midnight blue
