Orange Sky

Murdoch Alexi

Well I had a dream
I stood beneath an orange sky
Yes I had a dream
I stood beneath an orange sky
With my brother standing by
With my brother standing by
I said Brother, you know you know
Its a long road weve been walking on
Brother you know it is you know it is
Such a long road weve been walking onAnd I had a dream
I stood beneath an orange sky
With my sister standing by
With my sister standing by
I said Sister, here is what I know now
Here is what I know now
Goes like this..
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies
In your love, in your love, in your loveBut sister you know Im so weary
And you know sister
My hearts been broken
Sometimes, sometimes
My mind is too strong to carry on
Too strong to carry onWhen I am alone
When Ive thrown off the weight of this crazy stone
When I've lost all care for the things I own
That's when I miss you, that's when I miss you, that's when I miss you
You who are my home
You who are my home
And here is what I know now
Here is what I know now
Goes like this..
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies

In your love, my salvation lies
In your love, in your love, in your loveWell I had a dream
I stood beneath an orange sky
Yes I had a dream
I stood beneath an orange sky
With my brother and my sister standing by
With my brother and my sister standing by
With my brother and my sister standing by
