# Don't Wait Too Long

## Tony Bennett & Lady Gaga

You are the summer and I am the autumn
Don't wait too long
My songs go on when yours has just begun
Don't wait too longFall is a lovely time of the year
When the leaves turn to golden brown
But soon fall is ending and winter is near
And the leaves start tumblin' down oh ohWhy must the moments go by in such haste?
Don't wait too long
Winter is coming, we've no time to waste
Don't wait too longAnd while my heart's gay and foolish
And free and still can sing its song
Share every precious moment with me
Don't you wait too long
