Elevated (Higher)

MAX

Intro:
Whistle Tones
Higher and Higher

Verse:
Something you did to me
from the first kiss
I knew you belonged in my arms
taking my breath away
I was scared I admit
Of giving you my everything

Pre:
This ain't no temporary
You'll always be my baby
Even though you drive me crazy
This aint no temporary
(Ain't no temporary)
You'll always be my baby
Even though you drive me crazy
(Drive me crazy)

Chorus:
It's something bout your love
and
You and me elevated
Higher
Floating on intimacy
My love is
Eternal
You've got me lifted baby
Higher and Higher
We're elevated
[Repeat]

Bridge:
Your love
Your love
Your love
Your love

Floating on intimacy
Your love
Your love
Your love
Your love
Elevated
It's something
your love and
You and me
Elevated
It's something
your love and
You and me
Elevated
It's something
your love and
You and me
Elevated
It's something
your love and
You and me
Elevated
It's something
your love and
You and me
ELEVATED

[Chorus]

Outro:
We're elevated
took a chance on love
elevated higher baby
it's something bout your love and
oh babeh
