

My Obsession (Eniak Remix)

Cinema Bizarre

If you want me to listen whisper
If you want me to run just walk
Wrap your name in lace and leather
I can hear you
You don't need to talk Let us make thousand mistakes
Cause we will never learn [Chorus]
You're my obsession
My fetish, my religion
My confusion, my confession
The one I want tonight
You are my obsession
The question and conclusion
You are, you are, you are
My fetish you are You can kiss me with your torture
Tie me up to golden chains
Leave me beggin' undercover
Wrong or right
It's all a role play Let us make a thousand mistakes
We will never learn [Chorus] Come to me tonight [Chorus]
